

**PULLMAN  
REGIONAL  
HOSPITAL**

## AUXILIARY

### Auxiliary Volunteer Opportunities

**Christmas Tree Raffle:** Committee members recruit individuals and businesses to decorate a table-top tree to be raffled during the Christmas season. The committee delivers undecorated trees, picks up decorated trees and transports them to the hospital and to the Holiday Tea.

**The Gift Garden:** Gift Garden volunteers keep the gift shop running so hospital visitors can buy gifts and cards for patients and staff. Our gift shop is operated by Auxiliary volunteers. Gift Garden volunteers must also be on record with the hospital as a Community Volunteer.

**Have-a-Heart:** Volunteers take orders for chocolate, cookies, balloons and stuffed animals for delivery or pickup on Valentine's Day. Volunteers assemble orders and deliver to the recipients.

**Holiday Tea:** In December, Auxiliary members, their friends and community members are invited to this traditional High Tea. Volunteers assist in baking, serving and/or hosting a table.

**Newborn Hats:** Those who knit and crochet are needed to make hats for newborn babies. More than 400 babies are born annually in our hospital!

**Special Events:** The Auxiliary needs volunteers to set up, decorate and staff event booths for fairs, festivals and community events.
