Women Empowering Women

WHO WE ARE

The Women's Leadership Guild brings together passionate, innovative community leaders who are dedicated to improving local women's and children's health and wellness. Our members are dreamers, doers, and changemakers.

Membership benefits include:

- Enjoying Guild's Night Out events
- Having fun and making new friends
- Experiencing the power of collective philanthropy, where funds are pooled to make a greater impact
- Staying up-to-date on current women's and children's health issues, so our giving is informed and strategic
- Awarding grants to improve the health and wellness of local women and children
- Celebrating our impact at an annual affair

OUR IMPACT

Our giving is informed, strategic and impactful. Each year, membership contributions are pooled and then awarded through our grant process. Since 2015, we have awarded \$153,750 to programs working to empower women and children to lead healthy and full lives. We match that figure with a donation to the highest needs at Pullman Regional Hospital.
