

Corporate Partners Program

Pullman Regional Hospital Foundation

The **Corporate Partners Program** at the Pullman Regional Hospital Foundation is designed to build deeper relationships between our vibrant business communities and Pullman Regional Hospital. Thanks to the steady support from our generous business partners, we've been able to fund cutting-edge technology, introduce pioneering services, and expand our facilities. Together, we're surpassing the excellence our community deserves!

This program is an opportunity for local and regional businesses to create meaningful impact on quality healthcare in our region. We welcome you to join us on the journey.

Corporate Partners Program

Pullman Regional Hospital Foundation

Philanthropy does not happen in silos. It takes a team of caring individuals and corporate champions to make a difference. At the Pullman Regional Hospital Foundation, we align donors' passions with our mission to improve the health and well-being of our community.

Our partners are pivotal in guiding our expansion efforts, transforming Pullman Regional Hospital into a comprehensive medical campus on Bishop Boulevard. This ensures integrated and efficient care for our region. Becoming a Corporate Partner means year-round support that benefits both your business and our medical community.

On behalf of our entire team, I want to thank you for what you do for our community. Your support is making a transformational impact on the lives of our patients and their families today and into the future. Let's continue this journey of excellence in healthcare together!

Matt Forge

Corporate Partners Program

Pullman Regional Hospital Foundation

Pullman Regional Hospital's Corporate Partners Program highlights businesses outside of the scope of the Foundation's signature events to include year-round promotion through email (8,500+ constituents), social media (3,000+ followers on Facebook/Instagram), the PRH website, and throughout the community.

Additional benefits at the Visionary Partner and Corporate Leader levels include CEO Circle membership, seats/groupings at the Foundation's signature events – Gala, Golf Tournament, and Annual Reception, and employee volunteer opportunities for greater interaction with attendees and hospital employees.

All partner levels include an annual, exclusive hospital tour led by Pullman Regional CEO Matt Forge highlighting ongoing expansion efforts, and year-end impact reporting of your company's partnership.
