

# Covid Testing in Pullman, WA

As of 10/24/2022

## **Sid's Pharmacy: (509-332-4608)**

- Testing provided by appointment, at drive-thru (no walk-ins to the pharmacy itself).
- Appointments can be made at the drive-thru, or online <https://pullmanpharmacy.com/covid-19/>

## **Palouse Medical: (509-332-8847)**

- Testing provided through ReadyCare, during regular ReadyCare hours, currently: Mon-Fri 7a-12p, closed 12-1p, open 1-4p. Sat 9a-3:30p, closed Sundays.
- To make an appointment, call 509-332-8847, walk-ins welcome during ReadyCare hours.
- Parameters:
  - If you have been exposed, but do not have any symptoms, wait until 5 days after the exposure to be tested.
  - If you have symptoms, you can be tested at any time.
  - However, if you have already tested positive at some point, and just want to retest, they will not retest in the facility. You will need to retest at home or at another facility.

## **Pullman Family Medicine: (509-332-3548)**

- Testing available for established patients, by appointment. Drive-up testing will be used for symptomatic patients; asymptomatic patients will be tested in-office (e.g. if a test is needed for travel).

## **Palouse Pediatrics: (509-332-2605)**

- Testing available for established patients, by appointment. Both in-office and telehealth appointments are available; telehealth pediatric patients can be swabbed from the car in the Palouse Pediatrics parking lot.

## **Safeway: (509-334-0819)**

- They do not provide testing for people who have been exposed to COVID-19 or who have symptoms, only for people who need proof, traveling to Canada specifically, or need proof for an event.
- Appts for those types of tests can be made at [www.safeway.com/pharmacy/covid-19.html](http://www.safeway.com/pharmacy/covid-19.html)

## **Rite Aid: (509-334-7222)**

- Does not offer any form of testing currently.

## **Walmart: (509-334-2981)**

- There is no in-person testing available at this time.
- At-home test kits can be ordered by calling the pharmacy (509-334-2981).
