

December 2025

Happy Holidays!

As 2025 comes to an end, I want to extend my sincerest gratitude to you. Your engagement with the Pullman Regional Hospital Foundation this year truly made a difference in how we care for our patients.

Together, we....

- welcomed our third cohort of family medicine residents who are trained by the best of the best in rural healthcare! Our residents treat patients and work closely with clinical departments to assist, learn, and grow in a variety of disciplines. [Family Medicine Residency Program](#)
- expanded access to sports medicine and supported our certified athletic trainers who provided over 6,700 treatments to high school student athletes through our [Regional High School Athletic Training Program](#)
- recognized several healthcare providers as [Guardian Angels](#) who deliver comfort, grace, and compassion to grateful patients and their families
- welcomed over 180 new donors to the PRH Foundation, each of whom are aligned with the hospital's mission of nurturing and facilitating a healthier quality of life for our region. Wow - thank you, donors!
- awarded \$14,000 to several local non-profits who support women's and children's health and wellness through the grant program of the [Women's Leadership Guild](#)
- officially broke ground in November to expand patient care at Pullman Regional! Soon you will see changes in emergency, surgery, central registration, and outpatient services. Wayfinding will be simplified and efficient. Our teams of specialized professionals are working together to increase access and produce better outcomes for our patients. Because of the trust you've instilled in us, we can invest in a better model of care.

While our work is not done, we have so much to celebrate. To our community members, corporate partners, volunteers, donors, physicians, nurses, and hospital colleagues – **thank you**. Please stay engaged. Please stay informed. Let's keep working together to raise our bar of excellence and **elevate your health!** My door is always open. Come visit.

Best wishes to you and your family in 2026.
